THE PRESIDENT: This is an application by the prosecution under Rule 6(b)(1) pertaining to document 3349.

Is there any opposition?

CLERK OF THE COURT: That is the same type of application that we took up the other day.

THE PRESIDENT: Have the defense been told about this?

CLERK OF THE COURT: Yes, sir, the Chairman of the Rules Committee was notified and he said he assumed it would be handled like the others and therefore it wouldn't be pressed.

THE PRESIDENT: For the same reason we make the same order with the same reservation.

(Whereupon, at 1321, the proceeding was concluded.)
